**FOR IMMEDIATE RELEASE**

**NEW NAMES FOR ARGY GROUPS**

**McLean, VA — July 26, 2010** —Argy, Wiltse & Robinson, P.C. (Argy), a rapidly-growing certified public accounting and business advisory firm, is pleased to announce that Johnson Advisors, LLC, has changed its name to Argy Accounting Solutions, LLC and Argy's Family Wealth Management Group has changed its name to Family Tax Advisory Group.

"We realized the former names didn't reflect the services provided by these groups which too often created confusion in the marketplace" said Paul Argy, President and CEO. "So we decided to change the names to better reflect the services each of these groups provide. We believe the new names help clarify the services provided by these two Argy groups."

The groups' leadership, personnel, and services have not changed. The new Argy Accounting Solutions, LLC name makes it clear that this group offers outsourced accounting support services and solutions, while the new Family Tax Advisory Group name clarifies that the group provides unbiased and objective advice when working with individuals, families and closely held businesses and is not in the wealth management business.

Both name changes are effective immediately and new website pages, signage, etc. will be rolled out soon to reflect these changes.
